SUP-10484	Knowledge Lookup	Low	Resolved by Bot	Copilot
SUP-10485	Human Handoff	Critical	In Review	L3 Support

Conversation Preview

User: I need access to the reporting workspace for monthly review.

Copilot: I can help with that. Which access level do you need?

User: Viewer access is fine.

Copilot: I created case SUP-10482 and sent it for approval.

Next action: Awaiting manager approval

Workflow: Create Support Case
